

## Activity 1: European Language Day, 26<sup>th</sup> September 2014

Pupils and staff at Sandridge took part in European Language Day 2014. In the week leading up to the day, pupils and teachers were learning words, phrases and songs in the different European languages that are present in our school. Some of the languages that were shared in the assembly were French, Spanish, Polish, Romanian, Italian, Portuguese, Hungarian, German and of course, English!

It was a lovely day of celebrating the diverse of languages at Sandridge School from all classes.

Year 2 sang a French song which you can view on their class blog by clicking on the following link: <http://class2sandridge.blogspot.co.uk/#!/2014/09/french-song.html>

Here are some photos of the event:
