

## Activity 11 – 90kg Rice Challenge

Sandridge School has worked extremely hard on the 90kg Rice Challenge to support Fair Trade and farmers in Malawi. Different classes have completed a range of different activities learning about Malawi and what the country is like. The challenge has been excellent to support the farmers earn enough money to send one of their children to school for one year! Did you know that less than a third of children in Malawi have the opportunity to go to school or can afford to go to school?

### Activities include –

- \* looking at photos of Malawi to have a deeper understanding of what the country looks like
- \* watched videos on Malawi to understand the lifestyle of Malawi farmers including Malawi children who cannot afford to go to school.
- \* persuasive writing to encourage the 90kg rice challenge
- \* posters have been dotted around the school to support the challenge and raise awareness of Fair Trade
- \* geographical map work around the Malawi and the countries in Africa
- \* finally, children, parents and staff have been very supportive with buying 90kg of rice! Sandridge SUCCEEDED AND COMPLETED THE 90KG RICE CHALLENGE.

Well done Sandridge!
