'Head'lines (Miss Lisa Roberts)

What a week!

Despite us being in the Ofsted 'window', nothing ever quite prepares the Headteacher when the phone call comes!

On behalf of the staff, I would like to say a huge thank you for the overwhelmingly positive comments on ParentView and the very many complimentary texts that came through to the inspector on Tuesday. She shared many of the comments and texts with me and it is nice to know all the things you think are great about our school – thank you.

I would also like to say thank you to those of you who sent in chocolates, cakes and other sugary carbohydrates...I think it's safe to say that the staff and I have put back on the stone in weight we lost at the start of the week!

Due to it being a Section 5 Ofsted inspection, the outcome will come in the form of a letter and not a report. We will send it out to you as soon as we receive it from the inspector. We know what we are doing well and what we need to continue to work on and further embed – we look forward to continuing to work together with you to ensure a good education for our children.

Thank you again – have a good weekend ☺

Cool Milk

We are changing our school milk supplier to Cool Milk so you will be able to order your child's milk directly online. This will start after the Easter holidays so details will follow next week.

Pick-up Arrangements

May we remind all parents that if you wish your child to be collected from school by someone who does not usually collect your child, you **MUST** contact the school to give your permission. This information cannot be passed on by the person picking up.

School staff have to follow procedures and are unable to release your child unless they have permission from someone with parental responsibility. It can make it awkward for staff and the person trying to collect if we do not have your permission, so please remember to give the office a call as soon as the arrangements change. If you know in the morning, then you can let the teacher/TA in class know when dropping off or write a note for them.

If arrangements for collection from after school clubs change, please remember that the office closes at 4.00p.m so any messages left after this time are unlikely to be picked up. Thank you.
