SANDRIDGE WEEKLY NEWS

Friday 10th July 2026

The attendance winners for this week are Reception with 100%

Number of late in each class this week:

1 late:	**Year 1/2**	**4 lates:**	**Year 6**
2 lates:	**Year 5**	**5 lates:**	**Year 3**
3 lates:	**Reception**	**10 lates:**	**Year 4**

‘Head’lines (Miss Lisa Roberts, Headteacher)

We had a fantastic Sports Day on Monday – it was hot and sunny but we got through it with plenty of hydration breaks and sitting in as much shade as possible. Thank you to those of you who came along to support; we really appreciate it.
Well done to ‘Water’ who won, overall. The children had great attitudes and gave everything a go, displaying resilience, self-belief and determination. Thank you to Miss Everall and Mrs Allard who worked hard sorting equipment and setting everything up.

On Wednesday, we had our annual Open Classroom event. There was a great turnout and a lovely atmosphere across all the classrooms and in the hall with children proudly showing off their work, art and models to parents and grandparents.

End of year reports will come home on Monday – children will leave school with a large brown envelope containing their report, attendance data for the year and, for some year groups, other assessment data relevant to them. Year 6 SATs results have been delayed, nationally, and are set to come out next Thursday. There is a letter with the Y6 reports explaining this.

Finally, next Wednesday evening at 6:00-8:00p.m, we have our annual Talent Show. Auditions have taken place this week and children know if they are in it or not. Do come along and support. We hope to have soft drinks and snacks on sale. If you want to bring your own alcohol to consume, feel free.

Have a good weekend 😊

Summer Holidays & Asthma – Staying Safe

Travel, hot weather, and new foods can bring unexpected asthma and allergy triggers.

Tip Box:

- Carry inhalers and medicines in hand luggage when travelling
- Stay cool – heat can make asthma worse
- Be mindful of hidden allergens in holiday treats

Expert Paediatric support, when it matters most

Sports Day

On Monday, the whole school took part in Sports Day. The day started with Reception, Year 1/2, 3 and 4 outside taking part in their carousel. A big thank you to Year 6 who helped the activities run so smoothly. After break, it was time for Year 5 and 6 to complete their carousel. After a lovely family picnic at lunchtime, it was time for the races. It was great to see all the children trying so hard, even in the heat.

The final results were 1st - Water, 2nd - Fire, 3rd - Air and 4th - Earth.

Well done to all involved and thank you for coming to support the children.

Little Sticks Golf Festival

On Tuesday, Su, Emma, Ralph, Milo, Ezmaye, Daniel, Amelia, Wilfred, Sophie, Charlie, Rebecca, Artie, Henry, Harry and Imogen travelled with Miss Everall and Mrs Allard to Good Time Golfin' in Hounslow to participate in the South Area Little Sticks Festival. They took part in five different activities: tournament, chipping, arts and craft, mini golf and space invaders, where they got to practise the skills they had learnt in their PE lessons. At the end of the day, there was a question-and-answer session with professional golfer, Ian Poulter. The school were gifted a signed Ian Poulter shirt and we took a group photo.

Well done to all the children who represented the school brilliantly!

Year 6

In DT, Year 6 have been designing, planning and constructing their own playgrounds. They had to consider a set of success criteria e.g. fun, safe, range of apparatus, and then use a variety of construction skills to make the final piece.

Year 5

This week, we enjoyed two exciting outdoor learning activities. First, we explored the legend of the Green Man, reading the myth of the prince who became the guardian and protector of the forest and nature. Inspired by the story, the children created their own Green Man faces using recyclable materials on the school field.

We also ventured into the woods to build homes for woodland elves. The children used natural materials to create a wonderful variety of imaginative homes, from cosy hidden shelters to more elaborate designs. It was lovely to see their creativity, teamwork and problem-solving skills as they worked together while learning to care for and respect the natural environment.

Year 4

In science, we were grouping appliances based on whether they are mains powered or battery powered. We went on a scavenger hunt around the school to find different electrical items and sorted them.

Year 3

This week, we finished our cushions! We continued to work on our sewing skills while adding buttons and beads before stuffing them. There were a lot of happy faces once the final side was sewn shut and the children can't wait to get them home!

Year 1/2

This week in PE, we continued with our striking and fielding unit by playing rapid fire cricket. We had a fielding team and a striking team. In pairs, we had to hit 3 balls each. Once all balls were hit, the fielders then had to bring the cones and balls back to the line while the batter ran to score runs.

Reception

Last week, some of us watched as one of the butterflies, that had hatched, flew away.

We all enjoyed Sports Day!

The following children celebrated their birthdays this week:

Teddy, Minnie

This week's
Class Cup of Kindness
is awarded to: Year 4

Phenomenal Phonics awards

Year R: Mya
Year 1/2: Ewan

Star Writer awards

Year R: Jerry
Year 1/2: Tilly
Year 3: Samuel
Year 4: Sama
Year 5 Aliza

REPS Certificates (Respect, Equality, Perseverance, Self-belief)

Having a brilliant week for self-belief and perseverance: Oliver R

Showing wonderful perseverance when making our slider games in DT: Pip

Helping everyone when we were sewing and getting your work done too: Hope

Showing such perseverance and resilience during our tests this week: Evie

Believing in herself that she can create amazing things: Stephanie

Taking on responsibilities in Breakfast Club and always ensuring the job is done effectively: Isla

Certificates of Merit

Great maths this week! Elijah

Creating a wonderful slider game in DT: Bilvani

Trying your hardest to showcase what you can do in the tests this past week: Zhayden

Being such a supportive teammate in rounders this week: Jack

Demonstrating a positive attitude this week and trying his best in all the assessments: Freddie

Showing such excitement and enthusiasm during History this week: Malak

Sport Certificates

Trying your best at all the activities and being so brilliant on Sports Day! All of Reception

Trying your best in all the activities on Sports Day: Elliot

Being unsure about some of the Sports Day races but having a go anyway! Maisie

Fantastic fielding in rounders: Oscar P

For her admirable qualities demonstrated on Sports Day – resilience, persistent, integrity and commitment: Georgia

Being a fantastic leader and supporter during Sports Day: Alice K
